

Launch your Future – Supply Chain

VIRTUAL CAREER INFORMATION SESSION

THE SUPPLY CHAIN IS AN INDUSTRY THAT IS GOING PLACES

As a worker in this crucial link industry, you will become an integral part of the storage, transportation and exchange of goods that occurs in just about every organisation. When you gain the latest, industry connected skills in Logistics and Warehouse from TAFE NSW, a huge range of career opportunities will open up. You may also be able to gain credit to a related degree. Designed and delivered in partnership with the Logistics and Warehousing industry, our courses ensure your career is in the best possible hands.

During Launch you Future – Supply Chain, on 3 September, 2021, students throughout NSW can get a first-hand look at roles within the Supply Chain industry, and explore the global career opportunities that await you.

With a career in transport and logistics, you could be involved in industries like: Logistics and warehousing, Road transport, Rail infrastructure and operations, Ports and shipping, and Aviation.

Wherever you want to be based, there are plenty of study options at TAFE NSW to launch your Supply Chain career.

Launch your Future is coordinated by TAFE NSW and the NSW Department of Education, promoting career pathways into the Supply Chain industry sector.

INDUSTRY INSIGHTS

In NSW, more than 500,000 (almost 14% of the workforce) are employed in transport and logistics.

Freight volumes are expected to double over the next 20 years, and the demand for skilled transport and logistics workers is increasing.
